Dear Marian,

You know, it's a funny thing, but I can't remember the first time I met you. That's not really important though. I guess. The most important thing is that we've been such good friends all these years. It's been swell having an old friend at Humboldt these last two years. It sure has been fun. I 'spose now that you are graduating I won't be seeing too much of you. It'll just have to make a point of getting together. Best of luck and lots of success in the future.

Love,
Joanne

administration . . .

Mr. John Lackner, Assistant Principal; Mr. John Gran, Principal

Two of the people who are most responsible for giving Humboldt its reputation for having good school spirit are our principal, Mr. J. Gran and our assistant principal, Mr. J. Lackner.

Mr. Gran has worked hard to build up school spirit on the West Side. In his first two years at Humboldt he was successful in building a Boosters Club composed of West Side Merchants.

He was one of the most ardent rooters at all sports events during the year and he helped to build up a large rooters section at football and basketball games by assisting in the organization of a Pep Club.

Mr. Gran put forth a great deal of effort this year toward raising money for the athletic fund. The play "Passing Fancy", the magazine drive, and homecoming activities were some of the events which helped to earn money for this purpose. Mr. Gran has won the admiration of the student body by his friendliness and by his willingness to listen to the problems of the students.

Mr. Lackner has helped many students in overcoming difficulties in their school life because of his patient and his understanding nature. His even temper, his kindness and his efficient and tactful management of students have helped to make Humboldt a school of which to be proud. Close contact with the students has made them aware of his friendliness.

A great sportsman himself, Mr. Lackner is a member of the athletic board which presents a rounded athletic program to the students of Humboldt.

Working together with the faculty, Mr. Gran and Mr. Lackner in their years at Humboldt have done much to boost the student body in scholarship, citizenship, sportsmanship, and loyalty toward their school.

"Don't count a boy a failure until he has failed at something he **likes** to do!" This motto, which hangs in Mr. Gran's office, serves as a guiding principle to the administration and faculty.

Best wishes

It is hard to believe that only two years ago we entered the halls of Humboldt as freshman. It seems that we have spent the most important years of our life here. Scared and shaking because we thought a senior might make us his personal valet or put us on a drinking fountain, we enrolled and sought our classrooms. Under the expert guidance of our counselors, Miss Hoffman and Mr. Falk, we have come a long way since that first day. We matured. We became adjusted.

We are proud of the Sophomore Class, the Class of 1954. We are proud of people like Gordon Genz, Dick Miller, Marvin Gill, Connie Bobick, Jim Foley and John Thorvaldsen, who are climbing their way up in the field of sports. We are proud too, of the many sophomores on the Student Council, the Pep Club members and of those active in Little Theater. Janice Thayer received an Oscar for her prompting in the fall play, **Passing Fancy,** and took a leading role in **A Modern Cinderella.** Theresa Gran and Shirley Witt were B Squad Cheerleaders. Our advisor this year, and for the years that lie ahead was Miss Heinen, one of Humboldt's most loyal rooters. President of the sophomore class was Annette Gauthier, our vice-president was Emily Hildebrandt, Helen Trowbridge, secretary, and Georgene Doud was treasurer.

Prom night! The most wonderful night of the year. The night when junior and senior girls and boys dress up in tuxedos and formals for their first really big dance.

Most students recognize the Junior-Senior Prom as the most important social event of the year, but few realize the work and planning that is necessary before the big night. This is where the juniors come in. It is their job to raise money and to plan the prom. A Snow Ball Dance was given in January to help raise these funds. They decide date, place, and cost of the prom. They also arrange for chaperones. This year's prom was held in the Ballroom at the Lowry Hotel, May 23.

The juniors held regular committee meetings at which they planned the prom and other activities. Wally Cosgrove, as president of the junior class presided over these meetings. Other officers were Arnie Tester, vice-president; Diane Schmitz, secretary; and Shirley Josephs, treasurer. Mr. Reif is advisor of the class of 1953.

The juniors played an important role in the life of the school this year. For the first time a junior was president of the Student Council. A junior was also elected vice-president and secretary. Quill and Scroll elected ten juniors. The juniors elected a boy and girl to represent them in Girls' and Boys' State. These representatives were Mary Ellen Rolfer and George Rhode.

When we leave school, we leave behind wonderful memories of the years spent together. The many activities we participated in offered a fine extracurricular program that interested us all. We have had many outstanding people in the class of '52 that in years to come will make their mark on the page of history.

Words like wonderful, marvelous, and unusual are too common in usage to tell of the many experiences that we will be long in forgetting. Think of the fine year we have had in sports, and the many thrills afforded us in every game we played, the plays that members of our class have helped to produce, and the fun we have had being members of the various school organizations.

The many friendships that have been made with others remaining in school will be a link in the chain connecting us.

The newly organized "Pep Club" got its start at the beginning of this year's football season. At the end of the year the membership totaled approximately 150, with a good percentage of those participating seniors.

Part-time co-op workers is another plan inaugurated this year. This plan is for seniors who wish to receive full credit for schooling while doing part time work. Many of this year's class, have been satisfactorily situated in jobs that will help them after graduation.

To the seniors to come, we leave many good wishes for continued enjoyment of school. As our class passes down the road of life, we know that no matter what path each individual chooses to follow, our remembrances of happy school days will remain with us.

the band

Strutting their flashy orange and black uniforms about town, the Humboldt Band brought to a close an eventful year.

During the year, the band took an active art in the activities at school and in the community. The Annual Spring Band Concert, on May 2, brought to a climax the work of the band this year. The program included an excerpt from the finale, "New World Symphony" by Dvorak, under the direction of Mrs. Betty Pritchett. Also on the program was a newly assembled saxophone quartet. Its members were Marion Vogel, Joyce Miller, Lois Hofmeister, and Herbert Roeller. The band also participated in the Choir's Christmas concert, playing "Christmas Moods", an arrangement by Hal Leonard.

Away from school, the band was a Pep Band which played at pep assemblies and did its part to promote school spirit.

From a very small and unbalanced organization in 1946, the band grew to 38 members. Instruments which were purchased this year, included an oboe and a bassoon. Officers were, Claire Grosberg, president; Lowell Ressler, secretary-treasurer; Marlys Howe and Jean Rogers librarians. Head drum majorette was Donna Beaudin.

chorus

Those who have never taken chorus do not realize the fun they have missed. All of the participants in the Choruses, have enjoyed working together during the class periods and singing at various times throughout the year. It is not all play as some may think, but it is also work.

During the Christmas season, the Chorus II gave a program of Christmas music for the parents and students in the school auditorium. Singing Christmas carols at Ancker Hospital was one of the highlights that chorus members enjoyed. Carols were sung by Chorus I and II in the school halls the last day before the Christmas holidays. The chorus officers were. Dick Markgraf, president; Lois Halloway, secretary-treasurer; Ed Englin, social host; Eleanor Gilcher, Irene O'Leary, librarians, and Mrs. Betty Pritchett their director as in years before.

assembly band

The "Assembly Band," is a small group chosen from the regular band. It plays for games, small gatherings, and all kinds of assemblies.

Although they are few in number, they are loud in volume. They have given the student body enjoyable music throughout the year.

Those not pictured are: Dean Loucks, Joyce Miller, Jean Rogers, Herbert Roeller and Wayne Abdella. They are advised by Mrs. Betty Pritchett.

pep band

These boys helped the band out on special occasions. The majority of these boys are seniors. The one junior will have a job of organizing a new pep band next year.

The boys gave up their own free time to practice together. Our thanks go out to the enjoyable music they have given us. We hope they will continue the grand work.

The officers this year were: Gerald Firner, president; Ed Zamansky, vice president; Nancy Gray, secretary; Marion Vogel, treasurer. Their advisor was Miss Whaley.

canteen

The halls of Humboldt were very busy on Friday nights when the efficient Canteen Committees put on the dances. It provided fun for all in the form of dancing and ping pong for students and '51 graduates. The Canteen Committee took charge of the dance given for those students who sold subscriptions for the magazine drive. This year, as in the last few years, Mr. Lyle Farmer was the advisor. The very able officers were Jackie Short, President; Mary Swenson, Vice-President; and Eunice Clevenger as Secretary and Treasurer.

student council

The Student Council was organized to promote student participation in school government, to encourage the highest ideals, to participate in projects for the development of better citizenship, and to provide unity between faculty and student body.

To accomplish these ends, the Student Council sponsored Courtesy Week, the sale of homecoming buttons, the homecoming dance, and promoted the March of Dimes, the Community Chest, and the sale of Christmas Seals.

The governing body of the Student Council consists of one representative from each homeroom whose duty it is to attend meetings and to report back to his or her homeroom. The Student Council Newsletter, was begun during this year, as a means of reporting the minutes of the meetings.

hall monitors

Hall Monitors had many duties while classes were in session. Any student who was in the halls during the class period without a hall pass was stopped. He got a warning the first time, but if a habit was made of going out of rooms without a pass he was called to go before the Ethics Committee.

Other violations that the hall monitors dealt with were: eating in the halls, running or making too much noise, loitering, and defacing property.

Some of the other duties of a hall monitor were doing errands for teachers, helping to keep the halls clean, and showing visitors around.

A hall monitor is expected to be at his hall post unless he is doing some other one of his duties. It was also important that he set a good example for the rest of the school when off duty too.

In order to become a hall monitor, a person must be trusted and do his job well without supervision. He must be fair in all his dealings with the students, as well as the teachers. Supervisors of Hall Monitors were Carol Otte, John Vitalis, Janet Norrbom, Dick Boulware and Jack Colvard.

Camera Club—Left to right: Delores Schuster, Theresa Gran, Nancy Grey, David Meyers, Wayne Abdella, John Stepoway, Dick Firtko, Barbara Pfenning, Miss Menk, Jean Dressely, Norma Schusted.

camera club

The camera club is a great help to the year book. To join the camera club a student needs only a camera to make him eligible. The advisor, teaches the members how to take pictures with the school camera. She also shows them how to develop pictures.

Our hats off to our advisor, Miss Menk, for the wonderful help she gave us.

the junior red cross

The Junior Red Cross membership is made up of one representative from each homeroom. Any student who contributes to the Red Cross is a member.

Activities this year consisted of a presentation of "Rumpelstiltskin" for the children at Gillette Hospital, and caroling. Favors were made throughout the year for hospitals and every homeroom participated in filling Red Cross Boxes for overseas.

The Red Cross officers were: Jean Morgan, president; Delores Schuster, vice president; Margie Casanova, secretary; and Marcelline Deustermann, treasurer. Mrs. Green was the advisor.

part-time co-op

The part-time co-operative program provides an opportunity for seniors to receive on the job training while attending school and earning credits toward graduation. Two credits are received on the job, while three credits are earned in the regular courses of study, including English, senior social science and industrial relations.

The purpose of the program is to provide the trainees with business and social experience. Some students may go on to schools, others will stay at their jobs and some may open a business of their own. The part-time co-op program holds many different benefits to those seniors who are in it.

Part Time Co-Op—Last Row: Gerald Kottke, Don Endress, Gordon Canniff, Jim Johnston, Robert Wilson, Gene Reinhardt. **Fourth Row:** James Gentle, Bob Rolfe, Bill Shearen, Jim Micko, Louie Wenner. **Third Row:** Bob Carlson, Gregory Cardinal, Larry Luft, Jim Stickler, George O'Brien. **Second Row:** Henry Homburg, Dick Steinhoff, Robert Reitberger, Manuel Solis, Roger Appleby, Mr. Aga, teacher. **First Row:** LaVonne Barnes, Eileen Wagner, Delores Wallert, Mary Baczewski, Margie Beissel.

library helpers

A busy place like our library needs many assistants. These assistants are called pages, and they earn a whole credit, which requires one hour of work each day in the library. Since they work in a library, they work chiefly with books—stamping them, shelving them, mending them and recommending them. They also type, file and write overdue notices. They carry books out and they carry them in. They are the first ones to handle new books and put up their pretty jackets in displays to attract readers. To replace the jackets they cover the bright, new books with a shiny coat of lacquer to protect them from the hard life they lead at Humboldt.

Library Workers—Last Row: Connie Alleva, Marlene Beermann, James Clemens, Rosalie Regan, Barbara Pfenning. **Fourth Row:** Janet Norrbom, Joanne Gilde, Joyce Meisner, Darlene Regan. **Third Row:** Beverly Sloan, Luella Fesender, Dieta Buchholz, Annette Gauthier. **Second Row:** Clarice Nordin, Jean Short, Sylvia Curtis, Zilda Chipkin. **First Row:** Shirley Josephs, Beverly Frazier, Mrs. Knauss, Claire Grosberg, Janice Thayer.

office helpers

Have you ever been in the office when the three telephones are ringing at once? There are messages to be delivered and Mrs. Thomas and Mrs. Miller are getting gray hair prematurely. If you have then you know why this is a real job, but one that is a lot of fun.

There are stencils to type, mimeographing to be done, absentees to be called and numerous errands to be done. School office work is a fine preparatory job for any office work.

Office Helpers—Last Row: Lorraine Mirsky, Beatrice Hintz, Shirley Gydesen, Mary Lou Schmitz, Diane Schmitz. **Fourth Row:** Lois Halloway, Judy Phillips, Margie Smith, Valerie Jacobs, Shirley Lund. **Third Row:** Lorraine LeMay, Rosemary Wolf, Marlene Nauer, Marcelina Anaya, Sally Anderson. **Second Row:** Betty Blasl, Mary Ann Krueger, Kathy Paskett, Wynn McMonigal, Joyce Ackerman. **First Row:** Nancy Merk, Marlene Johnson, Joyce Maloney, Evelyn Sell, Helen Boyden.

pep club

Have you got it! And how! echoed loudly across the football stadium, basketball court, and the hockey rink. A new organization at Humboldt doing this yelling and giving the team their support is the Pep Club. Although it was organized at the end of last year, it didn't officially start until this year.

The purposes of the Pep Club are to increase school spirit, to improve attendance at games, to learn school songs and cheers, to provide cheerleaders, and to put on pep assemblies.

Any boy or girl attending Humboldt is eligible to become a member of the club. At the present time there are approximately one hundred and fifty members. Regular meetings are held on the first and third Thursday of each month.

The members may earn points by their attendance at the games, and by the number of activities in which they participate. Any member earning two hundred points may be awarded a Pep Club emblem at the end of the year.

Pep Club—Last Row: Margie Smith, Jeanne Morgan, Mary Lou Lipke, Judie Novotny, Delores Schuster, Joyce Miller, Sally Anderson, Phyllis Atkins. **Third Row:** Marlene DeVore, Margie Blomgren, Anne Helsper, Nancy Larson, Helen Trowbridge, Rolande Plante, Cleo O'Rourke, Virginia Vining, Anita Santos. **Second Row:** Joyce Klemmer, Beverly Sloan, Dorothy Nelson, Betty Nelson, Betty Millerbernd, Phyllis Henderson, Colleen Starr, George Rhode, Marlene Burgess. **First Row:** Laraine Kratske, Mary Ellen Rolfer, Helen Ukkelberg, treasurer; Jo Ann Altendorfer; Susan Meese, secretary; Eunice Clevenger, Mary Fletcher.

pep club

This year the Pep Club attended three out of town games. They chartered a bus to non-conference games at St. Cloud, Hopkins, and River Falls, Wisconsin. The trip to St. Cloud was a special treat for the members who had been the most active before that game.

At the first ball games this year, even though the team was not winning, the Pep Club turned out enmasse. We had one of the best cheering sections in the city, due, in part to the Pep Club. We also set some records this year at basketball games for the sale of tickets. You could always tell a Pep Club member by his or her beanie.

The officers this year were Joan Altendorfer, president; Helen Ukkelberg, treasurer; Mary Ellen Rolfer, recorder; Nancy Laube, vice president; and Sue Meese, secretary.

The advisor this year is Miss Marian Heinen, who is largely responsible for the organization of the club.

The officers for the following year are elected in the spring, so that they will be able to take over the responsibilities of the club and so that the organization will be ready to do its part at athletic events when school opens in the fall.

Pep Club—Last Row: Pat Weigel, Maureen Lannon, Duane Ostrom, Bill Olsson, Dick Firtko, Loren Rogers, Shirley Franzmeier. **Third Row:** Lois Halloway, Ruth Larson, Sally Algren, Audrey Oszman, Judy Oszman, Delores Waage, Jeanne Burdash, Marceline Anaya, Marlene Hayes. **Second Row:** Marlys Nadeau, Elsie Virkus, Joyce Virkus, Liz Keller, Jackie Short, Joy Marschinke, Wayne Abdella, Margie Casanova, Mary Swenson. **First Row:** Jacqueline Flynn, Jovita Cardenas, Margaret Schmidt, Liz Gehring, Wynn McMonigal, Eileen O'Donnell, Shirley Nelson, Ann Cosgrove, Naomi Mirsky.

little theater

The Humboldt High School Little Theater gave this year, as every year, a great amount of fine entertainment to the West Side and Humboldt. Included among recent productions was last year's spring play, "Apple of His Eye", which was directed by Miss Betty Shay.

Two three act comedies, "Passing Fancy", "Modern Cinderella", were given this year under the direction of Miss Phyllis Coleman. Proceeds of these two productions went to bolster the school's athletic fund.

Miss Shay and Miss Coleman each directed the Little Theater for a half year during the absence of Mrs. Alta Carlson, who with her husband, taught in New Zealand for a year.

Little Theater officers for this year were: Phil Nielsen, president; Phyllis Atkins, vice-president; Jacqueline Short, secretary; Renee Starr, senior treasurer; and Patricia Weigel, junior treasurer.

New members were admitted to the Little Theater this fall. In order to do so, they had to pass a tryout before the Little Theater director.

Dues this year were twenty-five cents. From this money Little Theater meetings were financed and supplies such as make-up, costumes and scenery were purchased. The Little Theater was granted much needed panoramic curtains last fall.

Other productions this year were the Christmas play, entitled, "Shepherd of Bethlehem", a Christmas program which was given for the children at Gillette Hospital and several one-act plays which were given for the annual P.T.A. Funfest Night and other occasions.

In addition to valuable training, Little Theater members had fun at rehearsals, meetings and at the annual Thespian picnic.

thespians

The Thespians are the honor group of "actors" and "actresses" in Little Theater. To become a Thespian a Little Theater member must acquire ten points; which are earned by participating in assemblies and plays.

A student may become a one star Thespian by receiving twenty points, a two star by receiving thirty points, a three star Thespian by earning forty points and an "Honor Thespian" with fifty points.

Our Honor Thespians at Humboldt are Phillip Neilsen, Renee Starr, Phyllis Atkins, Jackie Short, Duane Kastner, Dick Firtko, Joan De Rusha, Lois Larkin, Jack Warren, Dru Angstman, Beverly Frazier, and Marlene Hayes.

A Thespian picnic is held at the end of every year.

quill and scroll

Members of Quill and Scroll, an international honorary society for high school journalists, are chosen from the "Arrow" and "Life" staffs. A student must show some skill in creative writing or art work and maintain a "B" average in his studies.

A formal initiation banquet was held this year. Miss Dulcie Kees is the advisor and officers for this year were: Carol Landis, president; Connie Alleva, vice-president; and Jean Pittelkow, secretary-treasurer.

life staff

If you stood outside the door to room 307 after school, you would probably hear these phrases again and again: "Oh! Miss Menk what can we do with all this space?" "Which of these pictures shall we use for feature?" "I just can't think of anything to write."

The Life Staff is hard at work from two until five o'clock. After many months of hard work and planning with the valuable assistance of Miss Menk, the book you are now reading has been completed.

life representatives

The Life representatives at Humboldt had a big job to do. After they were elected, they took on the responsibility of getting subscriptions and collecting money for the year book.

There were twenty-nine representatives, one from each homeroom. Congratulations to the representatives for the wonderful job they did. Lois Halloway was circulation manager, and Dorothy Schindeldecker was business manager of the "Life."

arrow staff

Publishing the Arrow does not consist of only writing stories. After the stories are written, typed and proofread, they are sent to the printers. Still the pages must be planned and the copy again proofread before you receive your Arrow.

This year two staff members attended the annual Minnesota High School Press Conference Convention which was held in Duluth. Many of the staff attended the clinic sponsored by the Minneapolis Tribune.

Miss Dulcie Kees was the advisor and Carol Landis was the editor.

arrow representatives

"You lucky people! It's time to subscribe to the Arrow." These phrases and others like them were heard in all homerooms shortly after school started. It was the Arrow representative speaking. There is one representative from each homeroom. These representatives are supervised by Connie Alleva and Marion Nelson.

It is the job of the Arrow representatives to sell the Arrow to the members of his homeroom and community, to keep an accurate record of sales, and to distribute the Arrow on publication.

historical society

The purpose of the Historical Society is twofold: to keep a history of Humboldt and to record the activities of alumni.

The society posts interesting clippings about alumni on a bulletin board and this year prepared an exhibit for homecoming of famous Humboldt graduates.

Students who are members of the society are asked to work one hour a week pasting clippings or filing cards.

This years project was to finish a written history of the school to the present time. Miss Amanda Whaley serves as advisor for the club. The officers for this year were Connie Alleva, president; Fred Bryant, vice president; Sally Anderson, secretary; Dru Angstman, treasurer; Judie Novotny, social hostess.

cub reporters

Behind the front of mass confusion in room 203, the cub reporters carry on an important job of helping get stories and writing columns for the "Arrow". These students are first year journalism students.

What's What, basketball, Dear Diary, science, news, and field trips are among some of the stories written by the reporters.

Ten Arrow editions were published this school year. The Cub Edition was prepared entirely by the cub reporters. Cub reporters wrote cupidgrams for Valentine's day, and held a valentine sunlight dance in the gym. Congratulations to the staff of cub reporters for a good job.

art club

The Art Club was organized by the art department under the supervision of Mrs. Milton three years ago, for the purpose of learning and developing art interests.

Anyone in the school can be a member regardless of whether or not he is enrolled in the art classes.

During the year we had many money making activities, a sleigh ride, roller skating party and the third annual Spring Art Show, which comes every spring.

There are no dues for the club since money is collected from posters made by this club. The president this year was Judy Spear, Duane Kastner, vice president; Mary Lou Aldeman, secretary-treasurer and Rita Rindfleish advertising chairman.

stage and assembly force

The stage and assembly force worked together as a unit for the first time during 1951-52. Stage settings for such productions as "Passing Fancy", "The Shepherd of Bethlehem" and "Modern Cinderella" were designed, built and painted by this group. In addition the stage force worked closely with the assembly force for each assembly program. Such special assemblies as introduction to clubs, the Humboldt review of '52 and a gymnastic assembly required the time and efforts of this combined group. Included in this group are the students who emceed the assemblies. The aim of the stage and assembly force is to provide opportunities for as many student-planned and student produced programs as possible.

y-teens

"Would you like to join the Y-Teens?" This was a familiar saying among all Y-teeners last fall during their membership drive.

The Y-Teens is affiliated with the Y.W.C.A. Y-teeners from all high schools have group meetings at the Y.W.C.A.

Under the direction of their advisor, Mrs. Jentink, the girls met every other Tuesday to plan for parties, picnics and suppers.

Among the many activities the girls put on was "Hobo Day". The girls dressed in old jeans and a sweatshirt, set out to wash windows, rake leaves, and any odd jobs around the house.

Officers this year were: Nancy Gray, president; Ruth Larson, vice-president; Joellyn Gray, secretary; and Judie Novotny, treasurer.

Youth speaks its mind on the question, "Should Free College Education be Given to Capable students?"

On Feb. 26, over WTCN, four seniors from the social science classes expressed their opinions for and against the question of free college education on the **Junior Town Meeting of the Air.** This half hour program is an opportunity for youth to give their ideas on timely problems.

This year's speakers were Marlene Hayes, Ron Carlson, Renee Starr, and Fred Bryant. The program was under the direction of Mr. Michael McDonough and the moderator was Max Karl. Assistant moderator was Dick Firtko. Jack Colvard and Galen Oppegard assisted at the program by carrying the microphones during the audience participation, an important part of the program during which the students in the audience ask questions to clarify the issue discussed.

The **Junior Town Meeting** is an annual event at Humboldt, sponsored by the senior social science classes. The program is recorded at Humboldt, and then broadcast over WTCN the following week.

All Minneapolis and St. Paul high schools participate. It is hoped that better citizens and better voters shall result from these discussions. Such is the purpose of the Junior Town Meeting.

audio-visual

Last minute breakdowns and minor repairs are some of the problems which confront the faithful audio-visual workers. Among their specific duties are the showing of all classroom movies, the running of the tape recorders, showing of slides, and helping to build sets for stage productions. Under the direction of Mr. Reif, these boys have done a magnificent job,

national honor society

Being elected to the National Honor Society is the greatest accolade a student can earn during his high school career. Members of the faculty select the candidates after considering the four qualifications—scholarship, service, leadership, and character.

To qualify for the scholastic requirement, a student must be on the honor roll. From that list, the students who have been leaders in school activities, who have rendered special services to the school or community, and who have displayed fine character are selected.

Wayne Abdella, Richard Firtko, and Shirley Hubach were elected in their junior year. All of the other candidates were selected in their senior year.

sharks of shorthand

Sharks of Shorthand is an honorary club made up of second year shorthand students, who can pass the qualifications necessary for membership. A member is chosen and accepted if she can take dictation in shorthand at one hundred words a minute. She must be able to transcribe her notes with at least 95% accuracy.

The S.O.S. club is under the direction of Miss Marian Heinen.

There are nine members: Marjorie Smith, Lorraine Mirsky, Phyllis Atkins, Sally Anderson, Nancy Larson, Rolande Plante, Beverly Sloan, Mary Lou Lipke, and Mary Fletcher.

The first two members to earn the pins awarded by the Gregg Publishing Company, designating membership, were Lorraine Mirsky and Marjorie Smith. They earned them during the month of February.

class of '52 leaves its mark

It does not seem possible that in a few short weeks the school year will have ended and the class of 1952 will have taken its place in the annals of Humboldt High School.

Surely no other class contributed more to its high school than the one honored in this edition of **Humboldt Life.** No other class has loved its school more. No other class has worked harder to make the community proud of Humboldt. No other class realizes more than the class of 1952 the great satisfaction of a job well done.

The school year just ending will be remembered for many things, but probably it will be remembered mostly as the year the Humboldt Spirit was reborn—the year the student body got behind its athletic teams and gave them such support that they won the regional title in hockey and the district title in basketball; the year of the largest turnout for homecoming in school history; the year more than 400 people packed the school auditorium on a single night for the fall show; the year an average of 200 rooters turned out to cheer at each basketball game and more than 425 rooters stood up to sing the school song when the Orange and Black hockey team skated out on to the ice in the first game of the state tournament.

It is hard to accept the realization that this year's seniors will not be with us next fall, for in a large measure, they provided the leadership of the past year. We can only hope the classes that follow will profit by their example.

athletic board

Five faculty men determine the athletic policy at Humboldt; Mr. Michael McDonough athletic director; Mr. John Gran, principal; Mr. John Lackner, assistant principal; Mr. Arthur Peterson, basketball and baseball coach; and Mr. Ed Liston, football and hockey coach.

This year's major project undertaken by the board was the raising of money to bolster the athletic fund. They raised more than one thousand dollars by staging shows, selling picture-buttons and by promoting the sale of magazines.

We started the year off with a big magazine sale and we received approximately $300.00 for the athletic fund. The homecoming dance in October and a special dance in November were also put on for the same purpose. Next in line came the three act comedy "Passing Fancy" which was put on and more than $300.00 was collected. A little later on in the year buttons with the basketball team's picture were sold. That brought about $200.00 to the athletic funds. In the middle of February the play "A Modern Cinderella" was staged and one hundred and fifty-eight dollars was made.

Tournament Bound!!

A basketball

After rolling up a four win, one loss record in non-conference play, the well-balanced Humboldt quint went on to notch a 7-2 record in conference play. The squad lost only to Washington and Monroe and ended the season in second place. Revenge was sweet as the team took the District title, using Johnson, Monroe and Washington as stepping stones.

Joel Haugley and Frank Kaiser were selected for the first All City Team, while Jack Colvard was on the second All City and Jim Kealy received honorable mention.

After taking the District title, Humboldt was edged by So. St. Paul, 50-49, in the first round of the Region tourney. The boys roared back to win the Consolation title by downing Anoka, 65-58.

Haugley, Kaiser, and Colvard were all named to the All- Region team.

Coach Art Peterson's oft-repeated comment serves as a fitting close to the story of the 1952 basketball squad. "One of the finest groups I've ever worked with."

B basketball

The Humboldt B Squad, under the coaching of Mr. Allen Dewall, went through the season with an overall season record of six wins and eleven losses. In conference play, the squad won one of nine starts. In the citywide B squad tournament, the team lost to Wilson 49 to 36, in a first round contest.

The squad held victors over So. St. Paul, Sibley, St. Paul Park, Johnson, and two wins over River Falls.

Paul Chapman, Conception Martinez, Mike Alewine, Jim Mallinger, Fred Schmidt, were B standouts and should be valuable assets to next year's team.

A football

Inexperienced and pocket-sized in comparison with other St. Paul high school teams, the Humboldt football team have the consolation that they will have back twenty-four veteran A squad men and several promising B squad players to open the 1952 season.

Returning are Dick Schnieder, who won a place on the All-City second team, Joe Morales, Felix Casillas, Wally Cosgrove, Jack Addyman, Carl Weber, Don Dahedl, Ken Anderson, Dick Corcoran, Dick Miller, Harry Smith, Bob Amadick, Dean Loucks, Ed Masloske, Chuck Schauer, Art Grossman, Joe Sitzmann, George Rhode, Ted Ketchmark, Gary Letourneau, Lowell Ressler, Jim Foley, Floyd Ward and John Thorvaldson.

Promising B squad players are Conception Martinez, John De Leon and John Herzog, Bruce Gutzman, Dan Pavlok, and Owen Duncanson.

B football

Humboldt's junior varsity football team finished the season with a record of one win and six losses. This group of freshmen and sophomore boys play a regular schedule of games with the other St. Paul high schools. It is on this squad that the boys are given the chance to play as an organized team and develop their football "know-how" so that they will be able to do a little better job when they get to the "A" squad.

If the boy shows unusual ability he is moved to the "A" squad during the season. The squad was small in number but those who were out for the team had good spirit and had a lot of fun.

John Thorvaldson, Floyd Ward and Jim Foley were given a chance on the "A" squad at the end of the season. Conception Martinez was elected team captain.

A hockey

1952 was a big year in hockey for Humboldt.

Winding up the city conference race in second place, the Orange and Black team won the right to play Washburn of Minneapolis for the Region One title. By defeating Washburn, 4 to 3, Humboldt won its first regional title in hockey, a beautiful trophy and the right to enter the state tournament.

In the first round of the state tournament, the Indians defeated a strong Winona team, 3 to 1, but in the second round they went down to the mighty Eveleth, 1951 State Champions. In their third try, the Humboldt boys lost a heartbreaker to the Twin City Champions, Southwest of Minneapolis, and wound up the tournament as the fourth best team in the state.

For his stellar performance in the state tournament, Carl Weber was placed on the All-State Team and all the Humboldt players were awarded medals for their participation in the tournament.

For their standout work in the city conference race, Dick Schneider and Carl Weber made All-City, with Bob Addyman being named on the second team. Bill Kruel, Jerome Pietruszweski and Bernie Weber made honorable mention.

B squad hockey

The Humboldt Junior-Varsity Hockey Indians were held up from an early start by difficulty of arranging a schedule of games, but with the help of Harry Marthaler, assisting at the coaches helm, the B squaders swung into action.

The squad was composed in the majority of first year candidates and some who were trying on hockey blades for the first time.

The team played eleven games with the following teams: Harding, Cretin, St. Paul Academy, Johnson, So. St. Paul and West St. Paul Juniors.

The team also played an exhibition game at Baker Playground Winter Carnival night program.

The season's won and lost record, while not the greatest, ended with four wins and seven losses.

Many of the B squaders will be trying for the three vacant positions on next year's A squad and if they don't clinch a berth, they will form the nucleus of a strong junior-varsity B squad for next season, with many of the other high schools expanding their programs to include scheduled games for newly formed B squads.

Coach Liston will welcome the new additions from this competitive group of up and coming pucksters.

baseball

The Humboldt team went through the 1951 campaign with a final record of six wins and four losses. The squad defeated Washington's city champions by a score of 5-3 in a rainy season finale.

Russ Greenbush was the big gun at the place, and made the All-City team as catcher.

The team was coached by Mr. A. Peterson.

golf team

Humboldt's golf team finished third in the city conference's standings, losing only to Johnson and Central in the dual matches. The outstanding golfer on the squad was Tom Waters, who was considered one of the top high school players in the city.

The squad members who earned letters were Tom Waters, Frank Hogrefe, Dick Dunst, Gus Degler, Ken Nelsen, and Harold Thron.

tennis

This year the tennis team under the able coaching of Mr. Reif had a fair season. The team was short one man for the first half of the season and then had a 1-3 record. After they had gained full strength, they went on and won 3 and lost 1 for a total of 4 wins and 4 losses that put them in a tie for 4th place. The outstanding player of the year was Ron Arneberg who was undefeated in 8 meets.

cross country

Last fall marked the revival of a sport at Humboldt, which had been completely dropped for the past several seasons. Cross country track was again offered to the athletes interested in running, and it proved to be very popular.

A group of boys reported for this event and the enthusiasm developed by them for the sport was very high. As a result of their faithful practice and participation in the scheduled meets, we had a fairly successful season. In our five dual meets with other conference teams we won four and lost one. In the city meet we placed fourth in the final standings. Arnie Tester was our ace runner and placed third in the city meet. We also sent our team to Minneapolis to take part in the state meet. Here again Arnie did well when he ran against the best runners in the state.

Much praise must be given to the boys who remained out the entire season. The spirit of the group was very gratifying and as a result the future for cross country track looks quite promising for next year.

track

Last season's track team, coached by Mr. Farmer, had a fairly good season considering the size of the squad. Although they failed to win a meet, they improved a good deal over last season's team. The top point getters of the track team were: Wally Cosgrove, Dick Marschinke, Jack Vitalis, Jim Thurston, Jim Stickler, Erny Beedle, and Felix Casillas.

All but two lettermen returned and Mr. Krueger, Humboldt's new track coach, is hoping for a good year.

Last year's track team failed to have a junior varsity because of the small squad. If enough students participate next year, we will be able to have a junior and senior varsity team.

Track differs from many other sports in that there is no team work involved. It requires a lot of conditioning which is done by getting a hard workout. In track you get as much out of it as you put into it.

bowling

Under the direction of student director, Delores Carlson, and faculty advisor, Mrs. Nienaber, the bowling club had a most active and successful year. The main purpose of this club was to give those persons interested in bowling an opportunity to learn and master those techniques involved in bowling and to furnish a type of recreation which can be carried on after completion of one's high school education. In recent years the interest in bowling has been great because of the various city leagues and the ABC, which has sponsored tournaments here in St. Paul and throughout the United States.

Beginning in September, the Mixed Bowling League met every Monday at the Mohawk alley, while the beginning group met every Wednesday afternoon. Starting with some good practice sessions, the groups soon organized into teams and a bowling tournament was started in each of these groups.

Interest was further shown through the several meets with Mechanic Arts, Johnson, and some of the other high schools in the city. Also two boys' teams headed off by Don Dahedl entered.

A few of the highest bowling scores attained throughout the year were as follows: for the boys: Don Dahedl 247, Ron De Valerio 189, Bob Morgan 182, Lowell Ressler 168. For the girls: Nancy Hultgren 176, Helen Trowbridge 174, Delores Carlson 154.

G.A.A.

G. A. A. is an athletic association for girls wishing to participate in such sports as basketball, volley ball, softball, field-hockey, bowling, badminton, table-tennis, and many others. The girls meet every Thursday after school until four o'clock.

The officers are Barbara Pfenning, president; Mary-Ellen Rolfer, vice-president; Dieta Buchholz, secretary; Marion Nelson, historian; and Theresa Gran, sophomore representative.

January 10, eight members of G. A. A. were invited to play in the All City Field Event at Hamline University. Among the activities were shuffleboard, volley-ball, swimming, badminton, and table-tennis. During the month of March, the G. A. A. sponsored a faculty-student basketball game.

In order to receive an "H" letter, one must earn 750 points and 1050 points for an all city letter which is the highest honor you may receive. These points are obtained by attending G. A. A. after school and by participating in most sports in gym classes and after school.

A cheerleaders

The enthusiasm in the stands at the games was greatly improved over the past years through the hard work of the Pep Club, cheerleaders and the cooperation of the students.

Tryouts for cheerleading were somewhat different this year. Cheerleaders were chosen from members of the Pep Club and over sixty enthusiasts signed up for tryouts. The members were shown the correct way of doing two or three cheers at several practice sessions. Of the sixty, fifteen were selected to try out in the finals. Six of the finalists became "A" squad cheerleaders and six became "B" squad cheerleaders. Those chosen for the "A" squad were: Jo Ann Altendorfer, Phyllis Atkins, Elizabeth Keller, Mary Ellen Rolfer, Norma Schusted and Helen Ukkelberg.

Many new cheers were introduced this year and the students met them with hearty enthusiasm.

The cheerleaders worked very hard at the many pep assemblies and games and deserve a lot of credit for the fine job they did.

B cheerleaders

At the cheerleading tryouts this year six girls were chosen for the "B" squad. The purpose of having a "B" squad is to give the undergraduates experience for qualifying for the "A" squad in future years.

These girls participated in pep assemblies and cheered at the hockey games. The girls were also guests of the "A" squad at several games during football and basketball seasons.

The present "B" squad consists of four junior girls; Sharon Larson, Lorraine Kratzke, Susan Meese, Patricia Weigel; and two sophomores, Theresa Gran and Shirley Witt.

gym team

Interest in gymnastics was very keen this past year at Humboldt. At the beginning of the season nineteen boys signed up for the activity. Of this original group, seventeen stuck with the sport for the entire season. This in itself is a remarkable showing of interest in a sport when one considers the season began early in November and lasted until March.

Because it was felt that practically all the boys reporting had very little or no previous experience, it was decided that all of them should compete one year in "Class D" competition. This proved to be a good move because we won all our dual meets and placed second in the city meet. Arnie Tester was given the "All City Award" for being the outstanding performer in "Class D" competition.

All members of the squad showed gradual improvement and we are looking forward to next year.

In order to make the entire student body and faculty aware of the ability of the boys, they put on a gymnastic demonstration, done to music, in the school gym. The demonstration was well executed and all who saw it were pleasantly surprised and pleased.

. . . 1951-1952 sports summary . . .

This year athletic competition has been as great as ever. While competing in all competition Humboldt had what you might call a pretty fair year.

Football, coached by Ed Liston, showed a great deal of fight all year around. Even though the team lost all its games, it came right along by almost defeating a tough Marshall crew. Marshall nosed out the Indian eleven by a 7 to 6 score.

Winter season brought on Basketball, Hockey, Gymnastics, and Swimming.

This season was without a doubt the best Humboldt has had in a long time.

In Hockey we had a sensational team. This team took the Region I championship, which is represented by a beautiful trophy. As far as outstanding players go, we think they were all great, especially All City Dick Schneider, and All State Carl Weber. The team ended up in second place in the city league.

Also making a great showing were the bucketeers of Humboldt. They won the District 15 Championship after ending up in second place in the City League. The Indians then went on to win the Region 4 consolation title. This team also was very outstanding, especially Frank Kaiser and Joel Haugley who made All-City and All Regional along with Jack Colvard.

Gymnastic standouts in class D, under the direction of the new coach Krueger, were Arnie Tester, John Ketchmark, Dean Loucks and Bill Delougherty.

The girls swimming team also took first place with such standouts as Joan Altendorfer, Judy Novotny, Margie Smith and Marvel Ohman. The girls swimming team must take first place just one more season, to make the trophy a permanent fixture in the Humboldt Trophy case.

Best wishes Marion. Keep up the good sewing. Mrs. Doane Home Econ.

thanks gang . . .

We want you to know, again, how grateful we are that we have had the pleasure of working with you -- as individuals -- as a group.

Your marked qualities of enthusiasm, initiative and cooperation are, we believe, well reflected in this, your yearbook.

You have put many hours, days and weeks of planning, drawing, mounting, editing and selling into this book. That is why you are so thrilled with it now. And that is why -- as the first flush of excitement in possessing it in finished form wears away, and as the years roll by, you will find that by keeping it always near you, and reviewing it's story with friends old and new, you will cherish it more and more.

Dear Marian,
Well yr are graduating and will I ever miss you here. You are a swell kid and I hope you will always stay that way. I hope I am a good senior like you were this year. I guess we have our flunky teacher a hard time but what is the difference we love to do it. Lots of luck to you in the future and I hope to see you around.

Well it sure was nice walking to first period with you. I shall never forget all the very nice things you did for me (fix my skirt). Here's hoping we will see each other in the future.

Dear Marian,

Was I lucky to find this page empty, you know how I love to write. I finally threw all your notes away this morning. They were all in my Math Book. We sure had fun this year, didn't we. Math and Home Ec. especially We had fun at the senior picnic but never again will I go on a ferris wheel, I still feel like I'm sitting in air. I have bruises from the barrel so I will always have a souvenier from the picnic.

Don't you just hate to say farewell to Mr. Reif. His class was so much fun, listening to Dick Lewis talk about his guess.

Lots of luck in the future

To a wonderful friend of mine. I hope I get to see you after graduation even if I am going to California.

Lots of love and stuff;

Dear Marian,

Well, we've finally gotten through our thirteen years (counting kindergarten) of school. It doesn't seem so long after all. We've sure had lots of fun together. Ever since in about the ninth grade. Our parties we had, we sure thought they were something. Remember the first day here at Humboldt? (I don't) I probably was scared though. Last year we had so many riots in Mr. Miers room. (Never a dull moment there) I really can't say that he taught me much.

Now this year and Mr. Mac. He sure made us work hard on our facts, but it was fun. (Wasn't it?) Well I got no more to say, except I'm sure looking forward to next Monday night.

Love,
Shirl

To a real swell girl that I remember from typing and all the things we did. Good luck in the future
